## REICH INTENSIFIES PRESSURE ON JEWS

Secret Police Complain Decree  
Curbing Passports Impedes  
Their Emigration

## ATTACK ON TOURISTS ISSUE

Paper Hints Injury to Belgian  
Relations—Jews Hostages,  
Elite Guard Organ Asserts

BERLIN, Oct. 26 (AP).—Nazi pressure to force Jews out of business and out of Germany is steadily becoming heavier. Scattered yet significant incidents today gave emphasis to the scope and variety of the anti-Semitic movement.

The German press displayed reports that fifty Jews had attacked five Germans in Antwerp, one Nazi party organ, the Westfaelische Landeszeitung of Dortmund, intimating that as a consequence German-Belgian relations might be disturbed unless "dangerous elements" were curbed.

The Gestapo [secret police] complained that a recent decree of the Ministry of the Interior having the effect of canceling all German passports held by Jews might impede the broader purpose of obtaining the fastest possible emigration of Jews.

## Mussolini Orders All Post-War Jews To Leave Italy

No Provision Made  
For Taking Property  
When They Depart

By the Associated Press.  
ROME, Sept. 1.—All Jews who have settled in Italy since January 1, 1919, today were ordered to leave the country within six months by a Cabinet decree.

The decree applied even to Jews who have become Italian citizens, because citizenship conferred since that date was revoked.

The edict was made applicable to Italy proper, Libya and the Aegean Isles. No mention was made of Italian East Africa.

The settlement of Jews in Italy from now on was prohibited.

The decree made no provision for disposing of the property of those who will be forced to leave, but they will be permitted to take little, unless special provision is made. Persons leaving Italy, under existing law, may take with them only a small amount for traveling expenses.

**Other Doors Closed.**

The decree defined as Jewish all persons born "of both parents of the Hebrew race, regardless of religion."

## Jews Flee Sudeten Districts By Hundreds for Prague Refuge

They Find Czech Capital Tense  
While Awaiting Hitler's Speech

By ELEANOR PACKARD,  
United Press Staff Correspondent.

PRAGUE, Sept. 12.—Frightened Jews evacuated Sudeten strongholds by the hundreds today and poured in upon Prague, where excited throngs speculated upon each fresh bit of news on the European situation.

Hours before Adolf Hitler was scheduled to speak at Nuremberg, Germany, Jews fled from Karlsbad, Marienbad and other Sudeten cities. Large numbers of Czechs likewise moved out of Sudeten centers to await the next move in the minorities-crisis in this capital of Czechoslovakia.

**Capital Excited.**

The refugees, who plan to return to their homes if a crisis is averted, found Prague excited and its citizens tense. Hotels were over-crowded.

Police Carry Out Nation-Wide  
Raids on Basis of Warsaw  
Passport Validizing Law

From 4,000 to 18,000 were reported to have been arrested and were started for the frontiers were put across it. Police there was a misunderstanding that had been rectified, but Germans would not admit the deportation had stopped. [Page 1.]

## Hungary Menaces 47 Jews on Barge

Threatens to Set  
Refugees Adrift

By the United Press.  
VIENNA, Sept. 6.—Forty-seven Jewish refugees from Austria, who have been confined for months on a barge moored in a Hungarian arm of the Danube near Regendorf, faced a desperate situation today.

Unless the Jews arrange to clear out immediately, the Hungarian government announced, local authorities will cut the mooring cables and set the barge adrift.

The Jewish community at Bratislava, Czechoslovakia, renewed efforts to get landing permits in Czechoslovakia when Hungarian officials revealed that emergency residential permits which had been granted would not be renewed.

Since March, only about half of the barge's original 100 passengers have been able to leave for Palestine.

## NAZI PRESS ATTACKS ON U. S. INTENSIFIED

Administration Is Accused of  
'Sabotaging' Peace Moves—  
Roosevelt Freely Assailed

By OTTO D. TOLISCHUS  
Wireless to THE NEW YORK TIMES.

BERLIN, Nov. 3.—With European opposition to National Socialism virtually silent, the German press is now concentrating its fire increasingly on the opposition encountered in the United States, and judging from the tenor of the attacks, the United States generally and the Roosevelt administration particularly will be treated as the dominant National Socialist Germany's Enemy No. 1.

In these attacks the National Socialist press has even abrogated its own proclaimed principle that it invokes to protect Chancellor Adolf Hitler—heads of States are above attack.

Now President Roosevelt is being attacked as freely as other public or private men in the United States who voice antipathy to totalitarianism, until it begins to appear as if the ideological struggle between totalitarianism and democracy will be fought out between Germany and the United States.

The Roosevelt administration is accused of "sabotaging peace by stabbing the peace policies of Prime Minister Neville Chamberlain and Premier Edouard Daladier in the back."

The "multifold apparatus of American propaganda, with its news services, powerful short wave radio and all means of Jewish persuasion," is accused of a "brazen attempt" to scare the South American countries with tales of a German menace.

## Bund Would Bar Office To All But White Gentiles

Says It Will Circulate Million Petitions for  
Amendment Against Jews in Government

A Constitutional barrier of all but gentiles of the white race from municipal, State and Federal offices and from all legislative positions is proposed in a petition being circulated today by the German-American Bund.

A resolution adopted by the Bund at the final session of its sixth national convention yesterday urged Congress to take action against the "increase of Jewry's control over American courts," charging discrimination there against gentiles,

and also advocated white gentile juries.

Immediate distribution of 1,000,000 copies of the petition embodying the resolution is planned, Bund officials said.

"The founders of the Republic who gave us our Constitution were Aryan men," the petition states, and "in order to return to the principles which animated the framers of our Constitution, none but true white gentile Americans, incorruptible, free from allegiance to any international organization or nation, should be elected as public officials."

## House Inquiry Hears U. S. Has 500,000 Nazis

Penetration of Army Called  
Chief Aim; Kuhn Boasts  
Power to Shift Consuls,  
Committee Is Informed

WASHINGTON, Aug. 12.—The House committee investigating un-American activities heard testimony today that in the United States there was an organization of 500,000 Nazi sympathizers regarded as a reservoir for the training of spies, wreckers and propagandists, for use in case of war or in case of any upheaval within the United States, under the direct control of a foreign bureau in Stuttgart, Germany.

Penetration of the armed forces of the United States was a chief objective, one witness asserted, with one whole unit of the Illinois National Guard being described as made up of members of the German-American Bund.

So powerful were the ties between the Bund and Nazi Germany that Fritz Kuhn, national leader of the Bund, boasted that he had Dr. Hans

Luther removed from his post as German Ambassador at Washington and was able to shift consuls and vice-consuls at will, the committee was informed.

Similar ties were shown between the German organizations and the American Silver Shirts. The leader of the latter organization, William Zachary, was quoted as advising his followers in a speech last Saturday night in Chicago that they should arm themselves and store guns and ammunition in their homes against any outbreak of trouble. Any efforts by the United States government to take the arms from them should be resisted, he was quoted as advising.

The witness who quoted the Silver Shirt leader also absolved him of having made a threat in a former speech to "kill President Roosevelt."

## Kuhn Says Nazis Will March in Hague Parade

Promises 2,000 in Uniform  
'by Invitation,' but Aid  
to Governor Says They  
Won't Be in Line Tonight

Fritz Kuhn, national leader of the German-American Bund, pro-Nazi organization, announced yesterday that 2,000 of his uniformed storm troopers would march in the "testimonial" parade of supporters of Mayor Frank Hague in Jersey City tonight.

In his announcement MR. KUHN said he had received and accepted an invitation for members of his organization to march in uniforms, along with troops of the 113th Infantry, American Legion members and others taking part in the affair that has been publicized by full-page advertisements in three Jersey City papers.

## Nazis Promise Aid to Germans Living Abroad

### Hitler Cites Annexation of Austria as 'Evidence' of His Resolve; Hess Talks About 'Sudeten Germany'

STUTT GART, Germany, Aug. 28 (UP).—Germany opened today the sixth annual and biggest Congress of Germans Living Abroad with a strident assurance that Chancellor Adolf Hitler's annexation of Austria was "evidence" of his determination to defend German minorities beyond Germany's borders.

Frick spoke in the same tenor. "No German abroad," he said, "may forget that he is always and everywhere a piece of Germany. . . . Germans abroad are no longer defenseless. Behind them stands the great Reich of which they may be proud. The evidence of this is the world-historical event of the year. Austria, through Der Fuehrer's force, is united with the Reich after years of struggle, and the longing of all Germans has become reality."

## WITNESSES LINK SPY PLOT TO REICH

### Tell of Griebel Messages to a Dr. Pfeiffer in Bremen, Said to Be Naval Officer

### Tells How Fugitive Doctor Tried to Get Him to Work for Nazi Government

Nearing the end of its case against two men and a woman accused of espionage, the government called several witnesses yesterday to support the contention of United States Attorney Lamar Hardy, in his opening address to the jury three weeks ago, that the defendants were engaged in a conspiracy conceived in and directed from Germany.

The name of Captain Lieut. Erich Pfeiffer, described as "head of the naval office in Bremen," and as a "defense officer," by witnesses, figured prominently in the day's testimony which seldom related directly to Johanna Hofmann, Erich Glaser or Otto Hermann Voss, the three on trial before Federal Judge John C. Knox.

## Says Kuhn Admits Link to Dieckhoff

### Metcalfe Tells of 'Secret Relationship'

WASHINGTON, Sept. 29.—A House Committee investigator charged today that Fritz Kuhn, leader of the German-American Bund, had admitted to a "secret relationship" between the Bund and Dr. Hans Dieckhoff, German Ambassador to the United States.

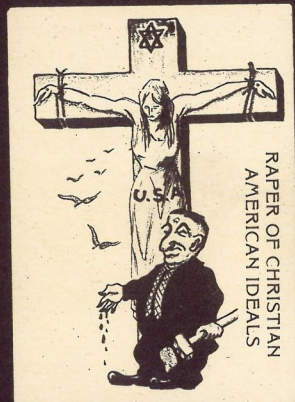

The investigator, John C. Metcalfe, told the committee assigned to an investigation of un-American activities that the Bund relationship also extended to German consuls in this country.

"Fritz Kuhn informed this investigator when the latter was disguised as a Storm Trooper," Mr. Metcalfe testified, "that not only did he have power over the Ambassador and consular set-up in the United States but that he also had a special secret arrangement with Adolf Hitler of Germany. Kuhn has repeated the same statement to others."

### NAZI PROPAGANDA WIDENED

By FRANK L. KLUCKHOHN  
Special Cable to THE NEW YORK TIMES.  
MEXICO CITY, Aug. 14.—A huge sign, printed in Spanish, has been placed on the Pan-American Highway about ten miles south of the United States border, where all Mexicans going toward the United States can read:

"The money you spend outside of Mexico, your children will lack later."

This is but one of a series of moves tending to break the backbone of Mexican commerce with the United States and which also are leading to closer Mexican relations with Fascist countries, particularly Germany and Japan.

#### Nazi Propaganda Printed

The German market since has developed, and the bartering for other material besides oil now is pending.

It is a fact that certain Mexican newspapers are printing Nazi propaganda, particularly of an anti-Semitic nature, and that the Japanese espionage system for Central America centers here.

### MANY ARE UNDER ARREST

Special Cable to THE NEW YORK TIMES.  
SANTIAGO, Chile, Sept. 5.—A Fascist uprising was put down in this capital after four hours of fighting this afternoon, during which the firing of light artillery and machine guns gave residents of the city a steadily mounting scare.

The revolt was undertaken by armed members of the Nazi party, principally youths about 20 years old, who in a surprise attack took possession of the ten-story skyscraper belonging to the Bureau of Workers Insurance, an adjacent savings bank building, some rooms in a near-by hotel and a University of Chile building, all within a stone's throw of the Presidential Palace.

Entering those buildings with revolvers pointed, the Nazis ordered the occupants to raise their hands and proceeded to take positions previously arranged on terraces and upper floors.

## CANADA 'RECONQUEST' BY FASCISM IS URGED

Head of New Party Speaks as  
Its Foes Mill Outside Hall

Canadian Press.  
TORONTO, July 4.—Fascism will enable Canada to reconquer its own territory from "the red clutches of Moscow and international Jewry" within three years, Adrien Arcand of Montreal, leader of the National Unity Party, told a meeting of 1,500 in Massey Hall here tonight.

Anti-Fascists and onlookers milled about in the street outside the hall and police took four men to the police station when they refused to "move along" as ordered. Three meetings were held by anti-Fascist organizations, but there were no other disorders.

Flanked by a dozen blue-shirted lieutenants on the Massey Hall platform, Arcand followed a bitter denunciation of Jews with a plea for a corporate State.
